

# Wordplay Hints + Solution

The flavor text hints that the “letterhead” is missing, so let’s restore that by adding a letter to the start of each word, turning each into a new word.

F + Actor  
O + Micron  
I + Deal  
L + Anguish

A + Back  
N + Either  
D+ River

S + Tilts  
A + Stir  
B + Raid  
R + Elapse  
E + Spouse

S + Tick  
P + Laid  
O + Lives  
R + Evoke  
T + Weak

Reading from top to bottom, this yields *FOIL AND SABRE SPORT*, which clues the final answer of **FENCING**.

Hints:

- 1) The thief seems long gone, but perhaps we can undo some of the damage.
- 2) Is there any way we can restore what’s missing?
- 3) Some letters seem to be missing from the start of each word.
